

Pure Henna

Pure Henna Workshops

2 Hour Introduction to Henna.

This workshop covers basic Henna information making it the perfect introduction to the world of Henna Body Art. Majority of this workshop is hands on, teaching different styles of designs and assisting you in combining them to make your own unique style.

Subjects covered in the workshop -

- * Brief history of Henna.
- * What the difference is between brown, black, white/coloured & glitter.
- * How Henna is made.
- * Skin preparation and after care.
- * How to do basic designs- a breakdown of how to do the different lines & designs to create different combinations.
- * Combining all techniques learnt to create a design on watercolour paper.

What you will take home with you-

- * Each participant will receive their own cone of henna to practice with during the class & take home any remaining henna.
- * Each participant will receive a small booklet with the information covered in the workshop.
- * Their unique piece of artwork they created on watercolour paper
- * Each person will receive a small freestyle henna by the henna artist.

Additional information-

- * For a more relaxed and personalized teaching, we limit each class from 6-10 students.
- * Participants must be 12 years and over.
- * Cost \$90 per person
